£825/€1,028, trousers
£350/€436, Inbar Spector

Dark Angel

Rock chick style has its place this winter with fashion and beauty; however, remember to add a sophisticated kick to bring this style right up to date. Have your dark, smouldery eyes mixed with your classic white shirt, and then throw on a Gucci-inspired high heeled boot to finish off the look!

*Dark smouldery eyes don't have
to be black, try some colour.*

Metallic eye
shadow, £14/€22
and Glitter lip
gloss collection,
